DETAILED ACTION

Allowable Subject Matter

1. Claims 1, 4, 6-9, and 24-27 are allowed.
2. The following is an examiner's statement of reasons for allowance:

In regard to claims 1, 4, 6-9, and 24-27, the prior art does not disclose a camera with the combination of limitations specified in the claimed invention, specifically the limitations of:

“a display disposed relative to the removable image bearing medium so that the display is removable from the camera with the removable image bearing medium, wherein the display receives power from the power source when the display is in the camera and the display is disconnected from the power source when it is removed from the camera, and wherein the display responds to the applied power source when in the camera for displaying image(s) or information related to captured images) and continues to display such image(s) or information related to captured image(s) after removal from the camera and disconnection from the power source so that no power is applied to the display”, as stated in claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”
